

BI Support– Cork, Ireland

Snipp is a fast-growing publicly listed company focused on building promotions, loyalty and shopper marketing technology solutions for brands. We work with some of the largest brands and agencies in North America and increasingly internationally and produce cutting-edge campaigns for them.

We're looking for people with Business Intelligence (BI) support experience, but more than that, we want them to be smart, entrepreneurial, enjoy challenges and working on cutting edge technology – no one will be holding your hand here. In exchange, we promise to pay you well (at more than competitive starting salaries), present you with lots of challenges so you will never be bored and oh yeah, give you real options in a public company (so they're actually worth something already).

Professional Requirements:

- 3 -5 Years of IT Industry experience in Analysis, Design, Development, Maintenance and Support of Microsoft SQL Server, SSIS, SSAS, SSRS
- Core strength areas: Data Analysis, Technical Design, Development and Implementation, Service Introduction and Maintenance.
- Used to work in Agile framework
- Experience on Data integration projects accessing sources like SQL server.
- Experience in dealing with inconsistent and Duplicate Data issues during Data Analysis to Support Strategic EDW Goals..
- Knowledge on Data Warehousing concepts, ETL concepts, Data Modeling, Dimensional Modeling.
- Understanding of OLTP and OLAP concepts and expertise in writing SQL, Stored procedure SQL Server.

Technical Skills:

ETL Tools	: SSIS, others
Reporting Tools	: SSRS, others
Language	: SQL, PL/SQL, UNIX scripting,
Database	: SQL Server 2014 / 2016
Operating System	: Window Server

Personal Traits:

- Thrives in a fast-paced environment with changing priorities.
- Excellent written and verbal communication abilities.
- Motivated and self-starter personality; must be able to lead and work independently of supervision but be a willing and contributing participant on cross-organizational projects
- Ability to work under pressure, to fixed deadlines and a flexible approach to working hours (when required) to meet deadlines.
- Strong analytical and problem-solving skills.
- Demonstrated ability to handle multiple assignments simultaneously and manage priorities.
