NOTICE AND ACCESS

This year, as permitted by Canadian securities regulators, we are using notice-and-access to deliver the Meeting materials to our shareholders, including the Notice of Meeting, this Circular and our audited annual financial statements for the financial year ended December 31, 2024, along with the related management discussion and analysis. This means that the Corporation will post the Meeting materials online for our shareholders to access electronically. You will receive a package in the mail with a notice explaining how to access and review the Meeting materials electronically and how to request a paper copy free of charge. The package you receive will also contain a proxy form or a voting instruction form so you can vote your shares. Since notice-and-access substantially reduces printing, paper and postage, it is a more environmentally friendly and cost-effective way to distribute the Meeting materials to shareholders. The Meeting materials are available at <http://www.snipp.com/investors> and under our profile on SEDAR+ (www.sedarplus.ca).

Shareholders can contact the Corporation by email at investors@snipp.com or at 1-888-997-6477 for more information regarding notice-and-access, or to obtain a paper copy of these documents at no charge for up to one year. Requests must be made by 10:00 a.m. EST on January 7, 2026 in order to receive the Meeting materials in advance of the Meeting. You will not receive a new proxy form or voting instruction form if you request a paper copy of the Meeting materials, so it is important that you keep the original form sent to you in order to vote.

SOLICITATION OF PROXIES

This Information Circular (the "**Circular**") is furnished in connection with the solicitation of proxies by the management of **SNIPP INTERACTIVE INC.** (the "**Corporation**" or "**Snipp**") for use at the annual and special meeting of shareholders (and any adjournment thereof) (the "**Meeting**") to be held on Friday, January 9, 2026 at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the regular employees of the Corporation at nominal cost, or by outside parties. All costs of solicitation by management will be borne by the Corporation.

The contents and the sending of the Circular have been approved by the directors of the Corporation (the "**Board**").

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are officers of the Corporation. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO MUST BE A SHAREHOLDER, AS MORE SPECIFICALLY SET OUT BELOW) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed form of proxy is received by **COMPUTERSHARE INVESTOR SERVICES** of 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof or to the Chairman of the Meeting on the day of the Meeting, before the commencement of the Meeting.

A person must not be appointed a proxyholder unless the person is a shareholder of the Corporation, unless: (a) the shareholder is a corporation; (b) the Corporation has only one shareholder at the time of the Meeting; or (c) the remaining shareholders present in person or represented by proxy at the Meeting for which the proxyholder is

appointed, by resolution on which the proxyholder is not entitled to vote, permit the proxyholder to attend and vote at the Meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the registered office of the Corporation at Suite 1700, 666 Burrard Street, Vancouver, British Columbia, V6C 2X8 at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting, prior to the commencement of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

ADVICE TO BENEFICIAL SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") are advised that only proxies from shareholders of record can be recognized and voted at the Meeting. Beneficial Shareholders who complete and return an instrument of proxy must indicate thereon the person (usually a brokerage house) who holds their shares as a registered shareholder. Every intermediary (broker) has its own mailing procedure, and provides its own return instructions, which should be carefully followed. The instrument of proxy supplied to Beneficial Shareholders is identical to that provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder.

If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in such shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which company acts as nominee and custodian for many Canadian brokerage firms). Common shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting shares for their clients. The directors and officers of the Corporation do not know for whose benefit the common shares registered in the name of CDS & Co. are held.

In accordance with National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, the Circular and the proxy to the clearing agencies and intermediaries for onward distribution to non-registered shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings unless the Beneficial Shareholders have waived the right to receive Meeting materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder should a non-registered shareholder receiving such a form wish to vote at the Meeting, the non-registered shareholder should strike out the names of the management proxyholders named in the form and insert the non-registered shareholder's name in the blank provided. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote common shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the common shares voted.** All references to shareholders in the Circular and the accompanying form of proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

IN THE ABSENCE OF ANY DIRECTION IN THE FORM OF PROXY, IT IS INTENDED IF MANAGEMENT'S PROXYHOLDERS ARE SELECTED THAT SUCH SHARES WILL BE VOTED IN

FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THE CIRCULAR.

The shares represented by proxies will, on any poll where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made.

SUCH SHARES WILL ON A POLL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgement on such matters or business. At the time of the printing of the Circular, the management of the Corporation knows of no such amendment, variation or other matter which may be presented to the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in the Circular, none of the directors or executive officers of the Corporation, no proposed nominee for election as a director of the Corporation, none of the persons who have been directors or executive officers of the Corporation since the commencement of the Corporation's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Authorized Capital:	unlimited common shares without par value
Issued and Outstanding:	286,113,829 common shares without par value

Only shareholders of record at the close of business on November 21, 2025, (the "**Record Date**") who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their shares voted at the Meeting.

On a show of hands, every individual who is present as a shareholder or as a representative of one or more corporate shareholders, or who is holding a proxy on behalf of a shareholder who is not present at the Meeting, will have one vote, and on a poll every shareholder present in person or represented by a proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each common share registered in his or her name on the list of shareholders, which is available for inspection during normal business hours at Computershare Investor Services Inc. and will be available at the Meeting.

To the knowledge of the directors and senior officers of the Corporation as at the date hereof, based on information provided on the System for Disclosure by Insiders (SEDI) and on information filed by third parties on the System for Electronic Document Analysis and Retrieval (SEDAR+), no person or corporation beneficially owned, directly or indirectly, or exercised control or discretion over, voting securities of the Corporation carrying more than 10% of the voting rights attached to any class of voting securities of the Corporation, other than Lark Investments Inc., and its affiliates (collectively, "**Lark**") which holds 53,152,060 common shares, representing approximately 18.6% of the outstanding shares of the Corporation.

As of the Record Date, the proposed directors and executive officers of the Corporation, as a group, beneficially owned, or controlled or directed, directly or indirectly, approximately 31,101,851 common shares, representing approximately 11% of the outstanding common shares of the Corporation.

Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual meeting of shareholders of the Corporation or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the provisions of the *Business Corporations Act (British Columbia)* or the Articles of the Corporation. **However, if a nominee should be unable to so serve for any reason prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee in their discretion. Orders, Penalties and Bankruptcies

To the Corporation's knowledge, no proposed director of the Corporation is, as at the date of the Circular, other than as disclosed below, or was within 10 years before the date of the Circular, a director, chief executive officer or chief financial officer of any corporation (including the Corporation), that:

- (a) was subject to an order that was issued while the director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer;

No proposed director or executive officer of the Corporation:

- (a) is, as at the date of the Circular, or has been within the 10 years before the date of the Circular, a director or executive officer of any corporation (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (b) has, within 10 years before the date of the Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director, executive officer or shareholder.

For the purposes of the above section, the term "order" means:

- (a) a cease trade order;
- (b) an order similar to a cease trade order;
- (c) an order that denied the relevant company access to any exemption under securities legislation, or
- (d) that was in effect for a period of more than 30 consecutive days.

No proposed director of the Corporation has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

On July 17, 2023, as a result of the failure of the Company to file its audited financial statements for the year ended December 31, 2023 and the interim financial statements for the period ended March 31, 2023 and related documents, a cease trade order was issued by the British Columbia Securities Commission (and other applicable securities regulatory authorities). All proposed directors of the Company were directors at that time.

During the 10 years preceding the date of the Circular, no proposed director has become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

4. APPOINTMENT OF AUDITOR

The persons named in the accompanying proxy intend to vote for the appointment of RSM Canada LLP, as the auditor of the Corporation to hold office until the next annual meeting of shareholders of the Corporation and to authorize the directors to fix its remuneration. **Common shares represented by proxies IN FAVOUR of the management representatives will be voted FOR of such resolution, unless a shareholder has specified in their proxy that their common shares are to be withheld from voting on such resolution.**

5. APPROVAL AND AMENDMENT OF 2016 STOCK OPTION PLAN

At the annual meeting held on December 8, 2024, the shareholders approved, and the Board adopted, an amendment to the Corporation's existing 2016 fixed stock option plan (the "Option Plan"). The amendment provides that the number of common shares reserved for issuance under the Option Plan will be increased to a maximum of 20% of the Corporation's issued and outstanding common shares as at the date of the Meeting.

As of the date of this Circular, the Corporation has 286,113,829 common shares issued and outstanding, resulting in a maximum Option Plan reserve of 57,222,765 common shares.

Other than the amendment to Section 4.2 of the Option Plan relating to the maximum number of common shares that may be reserved for issuance, no additional changes have been proposed or made to the Option Plan.

Under the Option Plan, the Board may, in its discretion and in accordance with the policies of the TSX Venture Exchange (the "Exchange" or the "TSX-V"), grant non-transferable stock options ("Options") to directors, officers, employees and consultants of the Corporation.

Accordingly, at the Meeting, shareholders will be asked to pass an ordinary resolution re-approving the Option Plan, a copy of which is attached as Schedule "A". The exact maximum number of shares that may be reserved for issuance

pursuant to Section 4.2 of the Option Plan will be 20% of the number of issued and outstanding common shares of the Corporation on the date of the Meeting and will be inserted into Section 4.2 accordingly. At the Meeting, shareholders are being asked to consider and, if thought advisable, approve an ordinary resolution in the following form:

"BE IT RESOLVED THAT:

- (1) the stock option plan of the Corporation, substantially in the form attached as Schedule "A" to the Circular of the Corporation dated December 8, 2024, is ratified, confirmed and approved;
- (2) any one director or officer of the Corporation is authorized and directed to do all such things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution."

Unless otherwise instructed, the persons named in the enclosed proxy or voting instruction form intend to vote such proxy or voting instruction form IN FAVOUR of the approval of the Option Plan. The Board recommends that shareholders vote FOR the approval of the Option Plan. To be adopted, this resolution is required to be passed by the affirmative vote of a majority of the votes cast at the Meeting, with the votes attaching to the common shares beneficially owned by Insiders (as such term is defined by the policies of the Exchange) of the Corporation excluded from the vote, as more specifically set out below.

The following table sets out the number of common shares of Snipp beneficially owned by each Insider that must be excluded from the vote to approve the Option Plan, as required by the Exchange. More specifically, Section 3.10(b) of Policy 4.4 of the Exchange requires the Corporation to obtain disinterested shareholder approval for the Option Plan, with all shares of the Corporation beneficially owned by Insiders to whom Options may be granted under the Option Plan excluded from the vote.

Name of Insider	Position with the Corporation	Number of Common Shares Held ⁽¹⁾
Lark	18.6% holder (Insider)	53,152,060
Atul Sabharwal	Director and CEO	16,608,431
Brian J. Tunick	Director	9,442,859
Rahoul Roy	EVP, Corporate Development and Chief Legal Officer	2,667,115
Wayne Wei Weng	Officer	1,011,446
Sarfaraz Haji	Director and Chairman of the Board	1,372,000
Total		84,256,011

(1) As at November 21, 2025.

As of the Record Date, 286,113,829 common shares were issued and outstanding. The 84,256,011 common shares beneficially owned by Insiders represent approximately 29.45% of the issued and outstanding common shares entitled to vote at the Meeting as of the Record Date.

6. Share Consolidation

At the Meeting, shareholders will be asked to consider and, if deemed advisable, approve a special resolution (the "Share Consolidation Resolution") authorizing the Company to consolidate all of its issued and outstanding common shares (the "Common Shares") on the basis of one (1) post-consolidation Common Share for every one hundred (100) pre-consolidation Common Shares (the "Consolidation"), or such lower consolidation ratio as may be determined by the Board of Directors of the Company (the "Board"), in its sole discretion.

Purpose of the Consolidation

The Board believes that it is in the best interests of the Company because it may:

- improve the trading price of the Common Shares;
- broaden the potential investor base;
- assist the Company in pursuing financing opportunities; and
- provide greater flexibility in potential strategic transactions.

Notwithstanding approval of the Share Consolidation Resolution by shareholders, the Board may elect not to proceed with the Consolidation, or may elect to proceed at a smaller ratio, if it determines that doing so is in the best interests of the Company.

Effect of the Consolidation

If the Consolidation is implemented, the number of Common Shares issued and outstanding will be reduced from 286,113,829 pre-consolidation Common Shares to approximately 2,861,138 post-consolidation Common Shares (subject to rounding). The Consolidation will not affect any shareholder's proportionate ownership in the Company, except for adjustments resulting from the treatment of fractional shares.

The Consolidation will not affect the Company's business or operations, and the authorized share capital will remain unchanged.

Fractional Shares

No fractional Common Shares will be issued as a result of the Consolidation. Any fractional interest of less than one-half (0.5) of one Common Share will be rounded down to the nearest whole number, and any fractional interest of one-half (0.5) or greater will be rounded up to the nearest whole number. No cash consideration will be paid in respect of fractional shares.

Treatment of Options, Warrants and Other Convertible Securities

Upon completion of the Consolidation, the number of Common Shares issuable under outstanding stock options, warrants, restricted share units, deferred share units and other convertible or exchangeable securities will be proportionately reduced, and the corresponding exercise or conversion prices will be proportionately increased, in accordance with their terms.

CUSIP Number and Trading

If the Consolidation is implemented, the Company will obtain a new CUSIP and ISIN number for the post-consolidation Common Shares. Trading of the Common Shares on the TSXV on a post-consolidation basis will commence on the date announced in a press release issued by the Company and accepted by the TSXV. Registered shareholders holding physical share certificates will not be required to surrender existing share certificates for exchange; however, they will need to present their existing certificates to the Company's transfer agent to receive replacement share certificates or DRS statements reflecting the post-consolidation share amounts. Beneficial shareholders holding shares through intermediaries will have their holdings automatically adjusted by their brokers or intermediaries. All shareholders are encouraged to contact the Company's transfer agent for specific instructions regarding the exchange process.

Shareholder Approval Required

Under the Business Corporations Act (British Columbia), the Consolidation requires approval by not less than two-thirds (66⅔%) of the votes cast by shareholders present in person or represented by proxy at the Meeting.

If approved, the Board may implement the Consolidation at any time prior to the Company's next annual general meeting without further shareholder approval.

At the Meeting, shareholders are being asked to consider and, if thought advisable, approve a special resolution in the following form:

“BE IT RESOLVED THAT:

the Company consolidate its issued and outstanding common shares on the basis of one (1) post consolidation share for every one hundred (100) (100:1) pre-consolidation shares, or such lower ratio as the Board may determine and as accepted by the TSXV, with no fractional shares issued and any fractional interest of less than one-half (0.5) of one Common Share rounded down to the nearest whole number, and any fractional interest of one-half (0.5) or greater rounded up to the nearest whole number; and that the Board is authorized to determine the final ratio, to revoke or postpone the Consolidation if it considers doing so in the Company’s best interests, and to execute and file all documents and take all actions necessary to give effect to the foregoing.”

7. Approval of New Control Persons

The Company is in discussions regarding a potential secured convertible debenture financing of up to C\$4,500,000 (the **“Proposed Financing”**). As of the date of this Circular, the parties have executed a non-binding term sheet, and definitive documentation remains subject to negotiation.

There can be no assurance that the Proposed Financing will be completed, or that it will be completed on the terms currently contemplated.

If completed, the Proposed Financing would involve the issuance of secured convertible debentures (the **“Debentures”**). The Debentures would be convertible, at the option of the holder, into units of the Company (each, a **“Unit”**) at a conversion price of C\$0.08 per Unit. Each Unit would consist of: (i) one common share (each a **“Common Share”**) and one Common Share purchase warrant (each, a **“Warrant”**).

Each Warrant would entitle the holder to acquire one additional Common Share at an exercise price of C\$0.12 per Common Share for a term of 60 months from the date of issuance, subject to TSX Venture Exchange approval. The conversion price and Warrant exercise price will be subject to customary adjustment provisions in accordance with TSX-V policies.

The Debentures are expected to include a forced-conversion feature permitting the Company, at any time following 12 months from issuance, to require conversion of all (but not less than all) outstanding Debentures into Units if the 30-day volume-weighted average trading price (**“VWAP”**) of the Company’s Common Shares on the TSX-V equals or exceeds C\$0.20 per Common Share (as adjusted for any Consolidation (as defined below)).

The Warrants are expected to include an acceleration feature permitting the Company, at any time following nine months from issuance, to accelerate the expiry date of all outstanding Warrants if the 30-day VWAP equals or exceeds C\$0.25 per Common Share (as adjusted for any Consolidation), provided that the Company’s Common Shares continue to close at or above C\$0.23 per share (as adjusted for any Consolidation) during the 30-day notice period.

Based on the indicative terms in the term sheet, and assuming full conversion of the Debentures and full exercise of the Warrants, one or more subscribers under the Proposed Financing could hold more than 20% of the Company’s issued and outstanding Common Shares on an as-converted basis, being that it is anticipated that (i) Shen Capital Partners Inc. (**“Shen”**), and entities managed and controlled by Shen is expected to subscribe for Debentures in the principal amount C\$3,500,000, convertible into up to 43,750,000 Units at a deemed price of C\$0.08 per Unit, and (ii) Lark Investments Inc. (**“Lark”**), and entities managed and controlled by Lark is expected to subscribe for Debentures in the principal amount C\$900,000, convertible into up to 11,250,000 Units at a deemed price of C\$0.08 per Unit. As a result, the completion of the Proposed Financing could result in the creation of up to two separate **“Control Persons”** (as that term is defined in the policies of the TSXV).

As a result of the Proposed Financing, assuming full conversion of the Debentures and full exercise of the Warrants for each of Shen and Lark individually, (i) Shen, along with its joint actor, will beneficially own or controls an aggregate of 87,500,000 Common Shares, representing 23.36% of the outstanding Common Shares on a partially diluted basis; and (ii) Lark, along with its joint actor, will beneficially own or control an aggregate of 75,652,060 Common Shares, representing 24.43% of the outstanding Common Shares on a partially diluted basis. In the event all Debentures are fully converted and all Warrants are fully exercised, it is anticipated that (i) Shen, along with its joint actor, would hold 21.90% of the outstanding Common Shares, and (ii) Lark, along with its joint actor, would hold 19.53% of the outstanding Common Shares on a partially diluted basis.

Under TSXV policies, the creation of each Control Person requires approval of disinterested shareholders.

Accordingly, the Company is seeking approval from disinterested shareholders at the Meeting for the creation of up to two Control Persons, conditional upon the completion of the Proposed Financing on terms substantially consistent with those described above. If the Proposed Financing does not proceed, or proceeds on terms that would not result in the creation of one or more Control Persons, the approval sought will have no effect.

No Control Person will be created unless and until the Proposed Financing is completed and accepted by the TSXV. Each of Shen and Lark, and their affiliates will be excluded from voting on this matter.

“BE IT RESOLVED THAT, subject to the policies of the TSX Venture Exchange, the disinterested shareholders of the Company hereby approve the creation of up to two Control Persons in connection with the Company’s proposed secured convertible debenture financing, all as more particularly described in the accompanying Circular, provided that such financing is completed substantially on the terms set out in the term sheet described in the Circular.”

Management of the Corporation knows of no matter to come before the Meeting other than those referred to in the Notice of Meeting accompanying the Circular. However, if any other matter properly comes before the Meeting, it is the intention of the persons named in the form of proxy accompanying the Circular to vote on the same in accordance with their best judgement.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The following disclosure regarding corporate governance matters is provided pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101"), National Policy 58-201 – *Corporate Governance Guidelines* and in accordance with Form 58-101F2. The following describes the Corporation's approach to corporate governance.

Board of Directors

As of the Record Date, the Board consists of four directors: Sarfaraz Haji (Chairman), Atul Sabharwal (President and CEO), Brian J. Tunick and Sina Miri.

Messrs. Haji, Tunick and Miri are independent directors as defined in NI 58-101 and NI 52-110. Messr. Sabharwal is, or has been in the previous three years, an executive officer of the Corporation and is deemed to be not independent of the Corporation.

The operations of the Corporation do not support a large board of directors, and the Compensation & Governance Committee has determined that the proposed size and constitution of the Board is appropriate for the Corporation's current stage of development.

The Board meets for formal board meetings periodically on an ad hoc basis during the year to review and discuss the Corporation's business activities and to consider and, if thought fit, to approve matters presented to the Board for approval, and to provide guidance to management. In addition, management informally provides updates to the Board at least once per quarter between formal Board meetings. In general, management consults with the Board when deemed appropriate to keep the Board informed regarding the Corporation's affairs.

The Board facilitates the exercise of independent supervision over management through these various meetings. The composition of the Board is such that the independent directors have significant experience in business affairs and, as a result, are able to provide significant and valuable independent supervision over management.

In the event of a conflict of interest at a meeting of the Board, the conflicted director will, in accordance with corporate law and in accordance with his fiduciary obligations as a director of the Corporation, disclose the nature and extent of his interest in certain matters at the meeting and abstain from voting on or against the approval of such matters.

Orientation and Continuing Education

At present, the Corporation does not provide a formal orientation and education program for new directors. Prior to joining the Board, potential Board members are encouraged to meet with management and inform themselves regarding management and the Corporation's affairs. After joining the Board, management and the Chairman of the Board provide orientation both at the outset and on an ongoing basis. The Corporation currently has no specific policy regarding continuing education for directors. Requests for education are encouraged and dealt with on an ad hoc basis.

Ethical Business Conduct

The primary step taken by the Corporation to encourage and promote a culture of ethical business conduct is to conduct appropriate due diligence on proposed directors, and ensure that proposed directors exhibit the highest ethical standards. The Board does not currently have a written code of ethics. The Board monitors the ethical conduct of the Corporation and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. When discussing potential transactions and agreements where a director has an interest, that director will be expected to disclose that interest to the Board and if necessary the Board may ask that director not to participate in the ensuing discussion and/or voting on that particular transaction and/or agreement.

Nomination of Directors

Once a decision has been made to add or replace a director, the task of identifying new candidates falls on the Compensation & Governance Committee. Proposals are put forth by the Compensation & Governance Committee and considered and discussed by the Board. If a candidate looks promising, the Compensation & Governance Committee will conduct due diligence on the candidate and, if the results are satisfactory, the Board will invite the candidate to join the Board.

Compensation and Corporate Governance Committee

The Board has a compensation and corporate governance committee (the "**Compensation & Governance Committee**"), which currently consists of three directors, Messrs. Haji (Chairman), Tunick and Miri, of whom, all are "independent" as defined in NI 58-101. All members of the Compensation & Governance Committee are experienced in the oversight of executive and operational management teams as a result of their experience with various private and public sector businesses.

Compensation & Governance Charter

The Corporation has a written charter (the "**Compensation & Governance Charter**") which sets out the duties and responsibilities of the Compensation & Governance Committee. The text of the Compensation & Governance Charter is attached as Schedule "C".

Other Board Committees

The Corporation does not have any standing committees, other than the Audit & Risk Committee and Compensation & Governance Committee.

Assessments

At present, the Board does not have a formal process for assessing the effectiveness of the Board, its committees and individual directors. These matters are dealt with on a case by case basis at the Board level.

In either case, the vesting of Mr. Sabharwal's Options will accelerate and the Corporation must pay all of the accrued obligations owing to him;

Oversight and Description of Director and NEO Compensation

See "*Statement of Corporate Governance Practices – Compensation & Governance Committee*" for a description of the Corporation's Compensation & Governance Committee.

The Corporation has a compensation program that includes paying base salaries, providing performance-based incentive bonuses and granting incentive stock options to the executive officers and directors, including the NED Compensation Structure for compensating non-employee members of the Board. The Corporation, through the recommendations of the Compensation & Governance Committee, recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility. The three components of the compensation package are included to enable the Corporation to meet different objectives. The objectives of base salary are to recognize market pay, and acknowledge the competencies and skills of individuals. The objective of the performance-based incentive bonuses (paid in the form of cash payments) is to add a variable component of compensation to recognize corporate and individual performances for executive officers and employees. The objectives of stock option awards are to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Corporation. Implementation of new incentive stock option plans and amendments to the existing stock option plan is the responsibility of the Compensation & Governance Committee. The compensation of the executive officers and directors is reviewed and recommended for the Board's approval by the Compensation & Governance Committee.

The general objectives of the Corporation's compensation strategy are to:

- (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long term shareholder value;
- (b) align management's interests with the long-term interests of shareholders;
- (c) provide a compensation package that is commensurate with other comparable companies to enable the Corporation to attract and retain talent; and
- (d) ensure that the total compensation package is designed in a manner that takes into account the Corporation's stage of development and its available financial resources. The Corporation's compensation package is designed to provide a blend of non-cash stock option compensation and a base salary. In addition, achievement of corporate goals will be rewarded with performance based incentive bonuses.

The Corporation will have no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services will be paid

for by the Corporation at competitive industry rates for work of a similar nature by reputable arm's length services providers.

Actual compensation varies based on the performance of the executives relative to the achievement of goals and the price of the Corporation's securities.

Compensation Element	Description	Compensation Objectives
Annual Base Salary (all NEOs)	Salary is market-competitive, fixed level of compensation	Retain qualified leaders, motivate strong business performance
Performance Based Incentive Bonuses	Performance based cash payment	Reward individual performance in achieving corporate goals
Incentive Stock Option (all NEOs)	Equity grants will be made in the form of stock options. The amount of grant will be dependent on individual and corporate performance	Reward long-term financial and operating performance and align interests of key employees with those of shareholders

Snipp relies on the discretion and judgment of the Board, and the recommendations of the Compensation & Governance Committee, in establishing and amending contracts for all forms of compensation, including Options to be granted to the officers and the directors, to ensure such arrangements reflect the responsibilities and risks associated with each position. The Compensation & Governance Committee is currently developing a formal process to use objectives, criteria, or analysis, for determining compensation. When determining the compensation of its officers, the Compensation & Governance Committee and the Board are guided by the general objectives of the Corporation's compensation strategy as set out above.

No significant events have occurred during the most recently completed financial year that have significantly affected compensation including changes or waivers of any performance criteria or goal in respect of any NEO. There were no other significant changes to the Corporation's compensation policies that were made during or after the most recently completed financial year that could or will have an effect on director or NEO compensation.

However, if:

- (a) the Offer is not completed within the time specified therein including any extensions thereof; or
