INVESTOR OVERVIEW

SNIPP INTERACTIVE INC. (www.snipp.com)

TSX-V: SPN, OTC: SNIPF

DISCLAIMER

This presentation is not, and nothing in it should be construed as, an offer, invitation or recommendation in respect of Snipp Interactive Inc.'s securities, or an offer, invitation or recommendation to sell, or a solicitation of an offer to buy, the facilities or any of the Company's securities in any jurisdiction. Neither this presentation nor anything in it shall form the basis of any contract or commitment. This presentation is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any investor. All investors should consider such factors in consultation with a professional advisor of their choosing when deciding if an investment is appropriate.

The Company has prepared this presentation based on information available to it, including information derived from public sources that have not been independently verified. No representation or warranty, express or implied, is provided in relation to the fairness, accuracy, correctness, completeness or reliability of the information, opinions or conclusions expressed herein. These projections should not be considered a representation of the Company's potential cash generation performance in any way.

Some of the financial information included in this presentation is preliminary, forward-looking, unaudited and subject to revision.

All forward-looking statements attributable to the Company or persons acting on its behalf apply only as of the date of this document, and are expressly qualified in their entirety by the cautionary statements included elsewhere in this document. All forward-looking statements involve risks and uncertainties, which may cause actual results to differ materially from the statements made. Such statements reflect our current views with respect to future events and are subject to such risks and uncertainties. Many factors could cause our actual results to differ materially from the statements made, including those factors discussed in filings made by us with the Canadian securities regulatory authorities. Should one or more of these risks and uncertainties, such as changes in demand for and prices for the products of the company or the materials required to produce those products, labor relations problems, currency and interest rate fluctuations, increased competition and general economic and market factors, occur or should assumptions underlying the forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, or expected.

The financial projections are preliminary and subject to change; the Company undertakes no obligation to update or revise these forward-looking statements to reflect events or circumstances that arise after the date made or to reflect the occurrence of unanticipated events, except as required by law. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the ultimate financial results. Projections are inherently subject to substantial and numerous uncertainties and to a wide variety of significant business, economic and competitive risks, and the assumptions underlying the projections may be inaccurate in any material respect. Therefore, the actual results achieved may vary significantly from the forecasts, and the variations may be material. The reader is cautioned not to put undue reliance on such forward-looking statements.

Leading SaaS marketing technology company providing global brands with a unique **Customer Acquisition, Retention and Engagement Platform** that generates unique zero-party data.

SNIPP FOCUS: 2021-2025

1

Drive sales of Brand Loyalty and Multi-Channel loyalty – a new industry with whitespace growth opportunity driven by our leading Receipt verification and categorization platform

2

Accelerate the shift to Long Term Recurring Revenue streams driven by migrating clients to annual licenses of our various engines

3

Develop branding around the SnippCARE hub – A true enterprise **Customer Acquisition, Retention & Engagement** platform that enables the generation of 1st party data in the new world of privacy

4

Make focused acquisitions in the industry to rapidly capture market share and enter new industries

5

Expand share of wallet with existing clients driven by **international expansion** and **data sales** to the media and research groups within these organizations

Thank You
