**TORONTO, ON, CANADA** - Snipp Interactive Inc. ("Snipp" or the "Company") (TSX-V: SPN; OTCQB: SNIPF) today announced it ranked 312 on [Deloitte's Technology Fast 500™](#), a ranking of the 500 fastest growing technology, media, telecommunications, life sciences and energy tech companies in North America. Snipp Interactive Inc. grew 262% percent during the 2018 measurement period.

Snipp's chief executive officer, Atul Sabharwal, credits the company's singular focus on achieving success for its clients and the flexibility of Snipp's platform to resolve multiple marketing issues across industry groups, as the key factors behind the company's 262% revenue growth. He said, "We are honored to have achieved this milestone for a third year in a row. The team at Snipp works hard every single day to deliver results for our clients and investors. Winning recognitions such as this is a testament to the hard work of our team and the value we bring to our clients."

"Congratulations to the Deloitte 2018 Technology Fast 500 winners on this impressive achievement," said [Sandra Shirai](#), vice chairman, Deloitte LLP, and U.S. technology, media and telecommunications leader. "These companies are innovators who have converted their disruptive ideas into products, services and experiences that can captivate new customers and drive remarkable growth."

"Software, which accounts for nearly two of every three companies on the list, continues to produce some of the most exciting technologies of the 21<sup>st</sup> century, including innovations in artificial intelligence, predictive analytics and robotics," said [Mohana Dissanayake](#), partner, Deloitte & Touche LLP, and Industry Leader for technology, media and telecommunications, within Deloitte's audit and assurance practice. "This year's ranking demonstrates what is likely a national phenomenon, where many companies from all parts of America are transforming the

way we do business by combining breakthrough research and development, entrepreneurship and rapid growth.”

Snipp Interactive Inc. previously ranked 114 as a Technology Fast 500™ award winner for 2017 and ranked 49 in 2016.

Overall, 2018 Technology Fast 500™ companies achieved revenue growth ranging from 143 percent to 77,260 percent from 2014 to 2017, with median growth of 412 percent.

### **About Deloitte’s 2018 Technology Fast 500™**

Deloitte’s Technology Fast 500 provides a ranking of the fastest growing technology, media, telecommunications, life sciences and energy tech companies — both public and private — in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2014 to 2017.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company's operating revenues. Companies must have base-year operating revenues of at least \$50,000 USD, and current-year operating revenues of at least \$5 million USD. Additionally, companies must be in business for a minimum of four years and be headquartered within North America.
